46) I am, therefore, of opinion that Rao Saheb V S Thiruvengadaswamy Mudaliar be induced to construct a Dispensary at Malleshwaram instead of at Palace Guttahalli

65 These papers relate to the question of constructing a matron's House & dispensary in the II. Main Road, Palace Guttahalli, Bangalore City.

Rao Sahib V S Hanumantharayappa Modaliar has come forward to construct a matron's House & dispensary at his own cost, according to the design approved by the Executive and hand over the institution for the use of H.L.C. for maintenance with this end in view, he has requested that a triangular plot of land opposite to the Primary Boys School may be given to him free of cost. The Bangalore H.L.C. have accepted the offer and agreed to hand over the land to the gentleman free of cost for the above purpose.

2) As to the manner in which the question of meeting the maintenance charges of the institution after they were handed over to the H.L.C. came up for consideration the H.L.C. was requested to forward a definite resolution of the H.L.C. agreeing to meet the maintenance charges thereof.

The recurring & non-recurring charges of the (1) Matron's House & the dispensary are estimated as follows

951 √ 4150.

ontin ation Sheet → File No / Current No — of — Page

	Initial cost	Recurring Cost
Maternity Home	Rs 7850	Rs 5316/-
Dispensary	Rs 1000	Rs ~~300~~ 539

Medical have agreed to bear the maintenance charges of the Maternity Home in full while in the case of the Dispensary they are willing to meet all the charges except the drugs of the Lady Lost Assistant of the Army Europe Medicines It is necessary to decide once alone as to who should bear the latter charges amounting to Rs 2313/- p a In this connection Kind reference is invited to paras 4 & 7 of the note from, dated 10 which the Army Medical Officer for Womens Hospitals in Bangalore is not willing to have a female Dispensary at Guttahalli that the writer has labeled Mr Wengadasamy Mudaliar to keep a Harmonium but the dispensary at Malleswaram, to which he has not agreed He wants to have a separate institution in Guttahalli

7. Points for orders —

1) whether the land asked for by Lieut for the construction of the

WD 0726—GPB—3,000—1,9 44

Dispensary & treatment Rooms may be given to Rao Saheb Narsingadasmm Mandlik free of cost

2) who will meet the initial & recurring charges of the two institutions during 1885? On this point, the opinion of the Med is not definite Hence their opinion will be called for & the Memor will be requested to ascertain from Mr Narsingadasmm Mandlik if he is willing to equip it also

3) whether the Med would meet the entire recurring expenditure - including the pay of the Lady but without expense to the cost of Europe medicines for the dispensary -

Otherwise the Chief Med Officer Surveyors Hospitals will have to be informed of the orders at para 6 of the note & requested for further opinion if the first would provide for the two items refd to above As these are in the nature of recurring charges, it is necessary to arrive at a correct understanding of the position now obtaining so as to avoid confusion which may arise later on if it is left undecided at present If the orders at para 6 are finally to be taken as final, then it may be ordered that the Medical Deptt should provide for the

951/L T4152

Continuation Sheet | File No / Current No | of | Page

above two items at a cost of Rs 2,313/- per annum In that event, the definite opinion of the Medical Department is necessary

7) The above points are for orders - para 53 supra

Law Secy 12/4/44

7) Orders are passed in para 61 accepting the offer of Mr Thiruvengadaswamy Mudaliar and sanctioning the construction of the dispensary and the Maternity Home.

7) In the letter dated 31-1-1944 received from the Municipal Councillor, it is definitely stated that the Council resolved that the maintenance charges of Rs 5,940/- for the Maternity and Rs 3,903/- for the Dispensary might be paid out of the Municipal funds, but the cost of European Medicines and the pay of the Lady Sub Assistant Surgeon amounting to Rs 2,313/- was not agreed to be borne As per para 672 of the Mysore Medical Code, this amount has to be paid by the Government, treating it as a Local Fund Dispensary

7) Therefore the question is who has to meet the initial expenditure of Rs 8,850/- Mr Mudaliar may be requested to pay this amount and proceed with the construction He is very anxious to proceed with the construction and he may not hesitate to pay up this amount

100) Replies to the three points raised by the Revenue Minister in his minute dated 12-3-46 are furnished below -

Para 16 Sl. No. 5

i Mr Mudaliar should pay all the initial non recurring expenditure on both the items

Mr Mudaliar has since agreed to pay a sum of Rs 8850- towards the initial non-recurring expenditure on both the items i e Maternity Home 2) and the Dispensary proposed to be constructed by him at the palace Gutta Halli Main Road

5915

II The recurring expenditure has to be borne by the Municipality of the Atrone and Dispensary are within the Municipal limits

The Atrone and the Dispensary are situated within the Municipal limits

The recurring maintenance charges under both the items would amount to Rs 9930/ per annum as detailed below-

Maternity Home ——— Rs 5940- per annum

Dispensary ——— Rs 3990- per annum

(This includes a sum of Rs 1766- towards pay of Lady Sub Asst Surgeon (Rs 1000-50-1200) and Rs 600- p A for Europe medicines)

The Chief Medical Officer, Womens' Hospitals in Mysore has recommended that the pay of the Lady Sub Asst Surgeon and the cost of Europe medicines, i e a sum of Rs 1766- p A may be met by the Medical Debt and necessary provision in the Budget of War Department

Re the balance amount of Rs 2244- towards maintenance charges, ~~in the~~ of the proposed Dispensary, the Chief Medical Officer has recommended that the same has to be borne by the Municipal Council in accordance with G.O No L dis 10/111/53-40-4, dated 27-2-41

III If the Municipality is unable to bear all the recurring expenditure, the Govt may have to subsidise to a small extent-

The Maintenance Charges to be borne by the Municipality would work up to Rs 8164-p.a as detailed below -

Maternity Home	Rs 5940
Dispensary	2224
	Rs 8164

Kind reference is invited to the Municipal Resolution dated 24-4-44, wherein the Municipal Council had agreed to meet the entire

maintenance Charges under both the
items to the extent of Rs 8943- per
annum

Flag T

101) But the Municipal Council has gone
back on its previous resolution and at its
meeting held on 1-12-45 it has requested
the Govt to meet one half of the
annual expenditure required for the
maintenance of the Home and Dispensary, i.e
to the extent of Rs 4082- /- A

Flag E'

102) As pointed out by the Chief Medical Officer
the entire maintenance charges of the proposed
Dispensary, (except the pay of the Lady Sub-
Assistant-Surgeon and Cost of Europe Medicines)
will have to be met by the Municipality

floor & Mr Modaliar has agreed to bear the
vide his letter entire charges and provide the water
dated 7.9.44 supply & the use of the dispensary with the necessary
equipment at his own cost.

155 The recurring expenses of the Maternity
& the dispensary would be as follows—

1) Maternity — Rs 5940- p a
2) Dispensary — Rs 3990 p a

out of Rs 3990 on account of item no 2,
the Govt would meet the pay of the Lady
Sub-Assistant Surgeon on Rs 250-5-300 plus Rs 80 p m
on account of the cost of Europe medicines
The balance of expenses would be Rs 2244 p a

156 In their resolution dated 24 4 1944,
the Municipality decided to agree to
meet the above entire charges on

security maintenance But they have fallen back on their previous resolution meeting held on 1/12/43 - I have requested the first - to meet a moiety of the annual expenditure required for the maintenance of the Home Defence Force If this is accepted, it would amount to £3 40'000 approximately which would have to be made in the State Budget

107) In this connection, I would refer to the matter to the letter addressed to the Secretary of State effect that "the receiving expenditure is to be borne by the HMG if the Home Defence are within the old limits" Both of them are within the old limits of strength but HMG would meet as originally agreed upon by them in the year 1944 All along we have proceeded on the assurance given by the HMG that they would meet the entire receiving charges It is a matter of fact that are HMG to undo its predecessor and

Reserves against a repetition of this
kind. Advantage should be taken of this
offer of Mr Mackenzie Wedderburn
to provide legal assistance
to provide for matters of urgency
in a place where its wants keenly felt.
Hence the M I d should not be allowed
to have its own way in this affair, but it
should be directed to bear the entire charge
arising to the 8764/- in this behalf
if M I d is in a position to bear
this expenditure which is of an urgent

charges of the Manavarkhel Maternity Home,
Malleswaram Dispensary, etc

115) The Chief Medical Officer, Womens Hospitals
in Mysore, has agreed to make necessary provision
in the Medical Budget towards the pay of the
Lady Sub Assistant Surgeon and the cost of Ayurvedic
medicines Refer para 109 supra

116) There is no provision in the
Act of this Act 1933 to compel
the Municipality to meet
the expenditure in this behalf Provision
is included under the heading
(vide sec 61 (9) - promotion of public
Health & infant welfare)

117) The point in this case however
is that the Municipal agreed to

5957

undertake this work, which the successor now wants to repudiate this position "may not be accepted by the Government."

118) The Board of Control has been already maintaining from maternity-boarding entirely out of funds provided by the Exchequer and this has been done at the request of the Welfare Department which affects the health of the citizens living within the municipal limits.

119) Further, the action taken in this case is based on the assurance given by the Board that it would meet the entire maintenance charges of the maternity home of Ilford to be allowed to lapse. Just at a time when the scheme has reached the stage of function the financial condition of the Board is also a question of Imperial concern.

Terms of Reference

(a) As regards the maintenance of destitute children, the Government would meet the usual charges in the form of the Local Authorities and the cost of Europe refugees accepted by the Ministry orders. The balance should be met by the Ministry.

(b) A draft letter to the Chief Medical Officer of Women's Hospitals on suggested scheme of the Government would meet any portion of the expense of the Maternity Home, if the Board eventually decides to make it - for appeal

Forwarded with compliments

This part of the city has for some years or other, not developed and the headmaster of a very large Boys School Rao Saheb V S Thiruvenkatasamy Mudaliar

Mudaliar wants grant of land for
construction of a Veterinary Home and
Combined Dispensary. It is in effect
permitting him to construct at cost
for the Municipality by this arrangement.
Municipality is not affected in its
finances except for maintenance
for which provision has already
been made. The nearest dispensary
from the place is about two miles
away. Allowance, and in congested
problem is becoming serious, people
are suffering very much for medical
facilities. The Donor is a very philanthropic
person who has built a girls High School

Letter No 19/53_A dated 6th July 1943 from Mr V. S Thiruvengadaswamy Mudaliar, "Lakshmivilas", High Grounds, Bangalore, to the President, B'lore City Municipality

Palace Guttahalli which was originally a small village has in recent years expanded enormously and the people living there who are mostly labouring classes, are devoid of any kind of medical or maternity help and their suffering is very great With a view to mitigate their suffering to a certain extent, I am planning to build a maternity home with a small dispensary attached to it I shall feel thankful if the Municipality could give me free of cost the vacant site in front of the Boys' Primary School It is a triangular rocky site bounded by II Main Road, Guttahalli Cross Road, and New Guttahalli Road, leading to Seshadripuram

In this connection I wish to state that I am prepared to hand over the institution to the Municipality for maintenance. I am also prepared to abide by any suggestions that the Municipality may make Further the design etc , of the building will be subject to the approval of the Government Architect

I shall feel thankful if you can kindly place my offer before the City Municipal Council and secure the grant of the site in question

I herewith enclose a rouch sketch for your reference

PROCEEDINGS OF THE [illegible] DATED 14-8-1943.

26 Opinion of the City Improvement Committee dated 20th July 1943 accepting the offer of Mr. V. G. Thiruvengadaswamy Mudaliar to build a Maternity Home and Dispensary on the land selected by him at the junction of Ft Main Road, Cutton Hill, and the New Cuttish Hill Road the land has to be given free of cost.

Resolution - Dr. A. Royan speaking on the subject said that it was our duty to offer our hearty thanks to Rao Saheb Thiruvengadaswamy Mudaliar for having come forward to build a Maternity Home and a Dispensary in a place where such a home was a long-felt want. Mr. Thiruvengadaswamy Mudaliar, he hoped, would put up a suitable building so as to out-beat all other buildings which have been constructed for maternity homes in Bangalore City. It was because Mr. Thiruvengadaswamy Mudaliar was one of the richest men of this State he expected that the building would be a big one so that it may serve the useful purpose now for a few people but for very many. The place selected was in one corner of the city and there may be many mothers who may feel the need of such an institution and he was sure that the residents of the locality would also feel grateful to the philanthropic gentleman and he wished for his long life, health, peace and prosperity.

Mr. Mirza Azizulla Baig associated himself with the sentiments expressed by Dr. Royan. He said that it was pleasing that such gentlemen come forward and it was the duty of the Council to encourage them by giving all facilities. He therefore said that the land had to be given away free as the building would revert to the municipality after a lease.

Mr. A. L. Gangoji also endorsed the opinion expressed by Messrs. Royan and Mirza Azizulla Baig.

Then the proposition was put to vote and carried.

The opinion of the City Improvement Committee as approved, the last portion in the subject ie, 'the land has to be given free of cost', be omitted from the subject.

Sd V. G. Thirumarejulu,
President.

Sir,

With reference to the correspondence ending with your letter no C2 Pr 178/43-44 Dt 31-7-44, furnishing information regarding the payment of maintenance charges of the Maternity Home and Dispensary at the Palace Guttahalli, I am directed to state that the Palace Guttahalli, the place selected for building a Maternity Home & a Female Dispensary is not very far from Malleswaram. There is already a proposal ~~in the medical dept~~ to construct a combined Dispensary and Children's clinic & Maternity Hospital at Malleswaram & donations for this purpose Rs. 40,000 also stated to have been promised by certain philanthropic gentlemen & Female Dispensary at Guttahalli ~~would, therefore,~~ be superfluous. The place where a combined Dispensary is proposed to be constructed at Malleswaram is also a central one, as it would serve the need of the people of the Palace Guttahalli, Seshadri-puram, Sri Rampuram, Nagappa Block, Malleswaram etc,

with reference to the

I am therefore to request you to kindly ascertain from Rao Saheb V S Thiruvengadaswamy Madaliar whether he would be prepared to endow the same towards the proposed Malleswaram Hospital and intimate the same to Government

With reference to correspondence ending with your letter No L 8015 dated 3-2-1946 on the above subject in the matter of meeting the cost of Europe medicines and the pay of Lady Sub Assistant Surgeon etc, amounting to Rs 2,313/- per annum, I have the honour to state that the pay of the Lady Sub Assistant and the cost of Europe medicines may be met by the Medical Department and necessary provision made in the Budget of the Department

In this connection, I may state that according to the statement of maintenance charges furnished by the Municipal Commissioner (Copy enclosed) for the proposed dispensary the total works out to Rs 3,000-0-0 per annum In your letter dated 21-11-1945 addressed to me, it is noted that a sum amounting to Rs 2,313/- has to be paid by Government The average cost of a Lady Sub Assistant Surgeon on the existing grade pay i e, 50-5-100 works out to Rs 80 5/3 per person or Rs 966 2/3 per annum The pay of the Lady Sub Assistant Surgeon (Rs 966 2/3) and the cost of Europe medicines (Rs 500) works out only to Rs 1,466 2/3 and not Rs 2,313/- If Government have proposed to appoint a Lady Assistant Surgeon instead of a Lady Sub Assistant Surgeon and arrived at Rs 2,313/-, I may state that it is not necessary to appoint a Lady Assistant Surgeon to the place in view of the fact that

Government have since sanctioned the proposal of expanding the Appian Naidu Maternity Home, Malleswaram into a pucca Maternity Hospital

I am forwarding herewith a revised statement of cost as based on the list furnished by the Municipal Commissioner with slight variation towards the maintenance charges of the proposed dispensary

In accordance with Government Order No L 6405-10/M1 153-40-1 dated 27-2-1941, the entire maintenance charges of the proposed Dispensary except the pay of the Lady Sub Assistant Surgeon and cost of Europe Medicines will have to be met by the Bangalore City Municipality
